## Karen Constantine & Raushan Ara

### Your Candidates for Kent County Council

 Labour  
Building a fairer future

## Raushan Ara

Having lived in Ramsgate for nearly 30 years Raushan is very aware of the problems local residents face.

Approachable, friendly and hardworking, Raushan is an experienced campaigner who has worked tirelessly to improve the local area and the lives of vulnerable homeless people in Ramsgate.

As a small business owner, running a well established restaurant which has served the local community for 28 years, Raushan also understands the problems of the local business community.

## Karen Constantine

As a successful campaigner for safer communities, employment rights and the NHS, Karen believes in fairness for all and in protecting the services that should be there for you and your family.

From street lights to schools, housing to health care, District Councillor Karen is successful in helping people deal with a wide range of issues. As your County Councillor she can have more impact on the things that matter to you.

Investment and regeneration are key for Ramsgate's success. Karen has the skills and experience to get the best for our town.

**I will bring these experiences and skills together to work hard for your interests if elected as your representative on Kent County Council.**

**Ramsgate deserves a fair deal. As your County Councillor I will be a powerful voice for the town and all those who live and work here.**
